

FAVORITES FOR FALL

- ◇ **187ml Rosé Minis** - Elevate tailgate and game day parties with mini 187ml bottles as an alternative to beer. Easy quick-chilling option without the waste of a large bottle.
- ◇ **Fall Fare** - Rosé pairs perfectly with a variety of flavors, as it has enough structure and body for hearty fall or Thanksgiving dishes without overwhelming more delicate ones.
- ◇ **Rosé Cocktails** - Our rosés are delicate and dry with fruit on the finish, making them ideal in cocktails. Try mixed with pear infused vodka or in an apple cider sangria.
